

**By becoming a member of Buckingham Old Gaol Trust, you will be helping to maintain both our iconic building and the Museum that it contains – and get some valuable benefits in return.**

Buckingham Old Gaol is a Grade 2\* listed building. In common with all old buildings (and the Old Gaol was built in 1748), the building fabric is costly to maintain. Buckingham Old Gaol Trust is a registered charity (number 292807).

The building, and the Museum, are managed by hard-working volunteers drawn from the Trust membership.

All monies received, whether it be Trust membership fees, hire charges, donations or grants, goes towards maintaining a facility that plays an increasingly pivotal role in the local community, and is often the “first port of call” for visitors to our town.

**Your Membership Benefits will provide you with:**

- unlimited entry to the Museum without charge
- discounts off some talks and activities
- regular Newsletters advising all functions, talks and other activities that we feel sure will interest you
- discounted hire of the Exercise Yard for your own private function
- opportunities to participate in various projects and working groups
- a chance to become involved in wider heritage issues

As an Old Gaol Trust member you will also be entitled to attend Trust Annual General Meetings, have a say in how things are run, and elect Trust Board members – those who run the building and Museum.
